It shall be the sole responsibility of Reseller to check this site for updates and to follow and abide by all requirements.

5.2. Sales Efforts. Reseller shall use its diligent efforts to: (i) sell the Products and Services contracts in the Territory, (ii) unless prohibited by law, prevent the export of the Products and Services from the Territory for resale outside the Territory, (iii) perform its obligations under this Agreement, and (iv) further preserve the goodwill and reputation of ThreatDown and the Products and Services. As part of these efforts, Reseller may put a ThreatDown logo on Reseller's web site according the relevant specifications in ThreatDown' latest Reseller guidelines available at the ThreatDown Partner Portal and according to ThreatDown's applicable policies and guidelines. For clarity, notwithstanding anything to the contrary, Reseller is solely responsible to sell any Products and Services that it purchases from ThreatDown, and ThreatDown has no responsibility to assist with that sale and in no way assumes any responsibility to assist with that sale or to ensure any sale is consummated. Reseller is free to set the prices it charges in its discretion, provided it is responsible to ensure full compliance with all laws.

Reseller is responsible to ensure that it obtains and documents the date of the initial shipment from ThreatDown and/or the ThreatDown Authorized Distributor, as applicable, at the time of purchasing Product and/ or a Service contract. Reseller is responsible to contractually bind End Users to the terms stated in this Section, and Reseller agrees to indemnify ThreatDown for any failure to comply with this provision.

5.6.2. Failure to Comply with this Section. If a Reseller sells a Services contract or Product with a warranty, for which the service or warranty period starts prior to registration, or if it fails to comply with the aforementioned pass-down requirements, it shall be subject to remedial action, including but not limited to, the cost of a new Services contract, the cost of a Services or warranty extension, and/or termination of its partner status. Both parties to this Agreement agree that failure to comply with the section shall be considered a material breach of this Agreement.

5.7. End User License Agreement, Warranties. Reseller may distribute the Products and Services only with all warranties, disclaimers, license agreements, including ThreatDown's then-current End User License Agreement ("EULA"), ThreatDown's then-current Managed Services Agreement ("Managed Services Agreement") and Documentation as shipped from ThreatDown, and Reseller is responsible to ensure all End Users are provided such End User License Agreement, Managed Services Agreement and Documentation and are subject to such terms and agreements. Reseller shall take all steps reasonably requested by ThreatDown to inform End Users of all applicable restrictions and limitations regarding the use of Products and Services. Any guaranties, warranties, promises or commitments given or made by the Reseller which go beyond the ThreatDown standard terms provided by ThreatDown with the Product are not binding for ThreatDown and are at the sole responsibility of Reseller, and Reseller hereby agrees to indemnify and hold harmless in full ThreatDown related to any such guaranties, warranties, promise or commitments.

During the term of this Agreement, Reseller shall provide information as reasonably requested by ThreatDown to ensure compliance by Reseller with the terms of this Agreement and the MPP guidelines, and ThreatDown or its representatives may, upon reasonable notice to Reseller and during normal working hours, inspect the business records of Reseller as reasonable to verify Reseller's compliance. Reseller shall promptly provide ThreatDown full access to any records requested by ThreatDown.

5.10. Indemnification by Reseller. Reseller shall indemnify and hold ThreatDown harmless from and against any and all claims, liabilities, losses, damages or judgments, including all reasonable legal fees and expenses related thereto that arise from or are related to: (i) Reseller's modification, use or distribution of the Product and Services not in strict accordance with this Agreement and the MPP guidelines; (ii) any misrepresentation or any breach of any warranty, covenant or agreement of Reseller; (iii) any infringement or misappropriation of any of ThreatDown's intellectual property rights, including, among others, patents, copyrights, and trade secrets, or (iv) any action against ThreatDown for injuries or damage to persons or property caused or claimed to have been caused by the negligent or intentional acts or omissions of Reseller personnel while in the course of performing work under this Agreement. Reseller's obligations under this Section are contingent upon ThreatDown: (a) giving prompt written notice to Reseller of any such claim; (b) allowing Reseller to control the defense and any related settlement of any such claim; and (c) furnishing Reseller with reasonable assistance in the defense of any such claim, so long as Reseller pays ThreatDown's out-of-pocket expenses.

5.11. Ethical Business Practices. Reseller will ensure compliance in full by all of its employees and contractors with the entirety of all of the provisions of this Section 11 below. Reseller will conduct business in a manner that reflects favorably at all times on the Products and Services and the good name, goodwill and reputation of ThreatDown.
